 Smart Play School

SMART PLAY SCHOOL

Melapalayam

About Our Smart Play School

Smart Play School helps children take the First Big Step into the world of structured learning.

The Smart Play School TM preschool curriculum has been designed to ensure steady growth and holistic development of 3-5 years olds. This consists of several fun-filled, entertaining and knowledgeable activities that promote all-round skills development while also maintaining the elements of joy, excitement, health, good values and interaction with one another. These activities are known to bring out the best in every child. Together, we play, learn and grow; a motto focused on early childhood development!

Objective and Goals of the Play School

The children's time should be one of joy and peace, of playing, learning and growing. Their future should be shaped in harmony and cooperation. Their lives should be shaped, as they broaden their perspectives and gain new experiences.

Smart Play School Activities

Our Playgroup provides them adequate experiences with objects, interactions and by involving them in activities which appeal to their basic playful nature. At Smart Play School our qualified and experienced teachers promote emotional, physical, social and intellectual development in a fun, engaging environment.

Our Playgroup Program is for children between the ages of 3-5 years. We will be teaching songs, dance, rhymes, alphabets, numbers, shapes, circle time, parachute time, bubbles, art, craft, story time, introduction to computer aided education. We facilitate "action based" knowledge in a fun filled environment to stimulate your child's development.

Programs are designed specifically to meet the needs of the very young, who are coming to school for the first time. All our activities are "hands on" in a fun filled environment, which will stimulate your child's development in a variety of skill areas including, language, social, emotional, physical and thinking, skills. Instructions are based on stress-free and play-way approach.

With lots of creative activities like arts, craft, Puppet shows, drama, dancing and more, we will make your child's experience a wonderful and a memorable one. The time your little one spends with us today will lead to a healthy development for tomorrow.

Highlights of Curriculum

Based on TATA's EARLY EDGE curriculum

- Gross Motor - Walking, running, climbing.
- Fine Motor - Feeding themselves, coloring.
- Sensory - Seeing, hearing, tasting, touching and smelling.
- Language readiness - Saying single words, then short sentences.
- Math readiness - Pattern and shape recognition.
- Social - Playing with others, taking turns, doing pretend play.
- Emotional - Control over feelings, happy at school.
